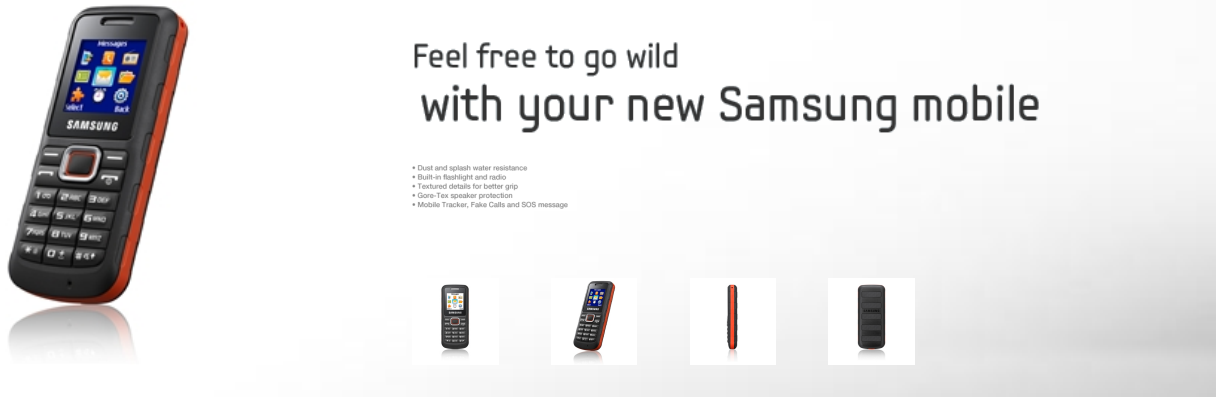
E1130 - Mobile Phones



Feel free to go wild
with your new Samsung mobile
• Dust and splash water resistance
• Built-in flashlight and radio
• Textured details for better grip
• Gore-Tex speaker protection
• Mobile Tracker, Fake Calls and SOS message

The Samsung E1130 is ready to handle all the bumps and tumbles that come with an active lifestyle. Its practical design and various outdoor features give users the freedom to live life to the fullest and forget the usual mobile phone worries.

Dust and Splash Water Resistance

Even active users can enjoy the convenience of keeping their mobile handy without having to worry about getting it dirty. As E1130 is protected from dust and water splashes, you can be more playful and rowdy without damaging their mobile's performance. Furthermore, Gore-Tex keeps your mobile's interior clean and safe.

Attractive Outdoor Design

E1130's attractive but ruggedized outdoor design matches your active lifestyle. The textured details, convex rubber keys and energetic colour are both practical and stylish.

Practical Outdoor Features

Equipped with practical outdoor features, the E1130 is a great companion to the user's outdoor lifestyle. The built-in flashlight illuminates the path when it's dark. There's no fuss; it's always on hand when the sun goes down or when the lights go out. The radio is great for music and entertainment in the great outdoors or as the main source for news and info in places with no electricity.

Other Practical Features

- Multiple Alarm
- No SIM mode
- Fake Call
- SOS message
- Mobile Tracker
- File manager
- Idle Shortcuts
